

ABOUT FOLEY'S IN FITZROVIA

At Foley's we're all about **bringing great things together**. We're a local restaurant with a big heart and big ambitions.

Every dish which leaves our kitchen is created with finesse to ensure the perfect balance of flavours. Sizzling and steaming straight to your table, Head Chef Jude and his brilliant team will bring you soul-warming tastes of Asia. No meat? No problem! We have a diverse range of vegan options throughout our menu.

Seeing people leave our home with a smile upon their face and a newfound love for Asian food is what keeps our woks tossing all year round. Quite simply, **it makes us happy to see you happy**.

FESTIVITIES AT FOLEY'S

FESTIVITIES AT FOLEY'S

The meaning of Christmas may differ from one person to the next, however, there is always one constant; a time of celebration and sharing. At Foley's we rejoice in creating special moments, sharing great food and drink, retelling fond memories and painfully bad cracker jokes! Now that sounds like a Foley's kind of Christmas.

Made to share our festive menu has been designed with detail by Head Chef Jude. Whether an intimate evening for your team or a celebratory meal for the entire office, this Christmas we're here to see to all your needs so you can relax and soak in the festive spirit. Dietary requirements, seating arrangements, drinks on arrival, anything, just let us know. We'll go every extra mile to leave you with a merry smile.
